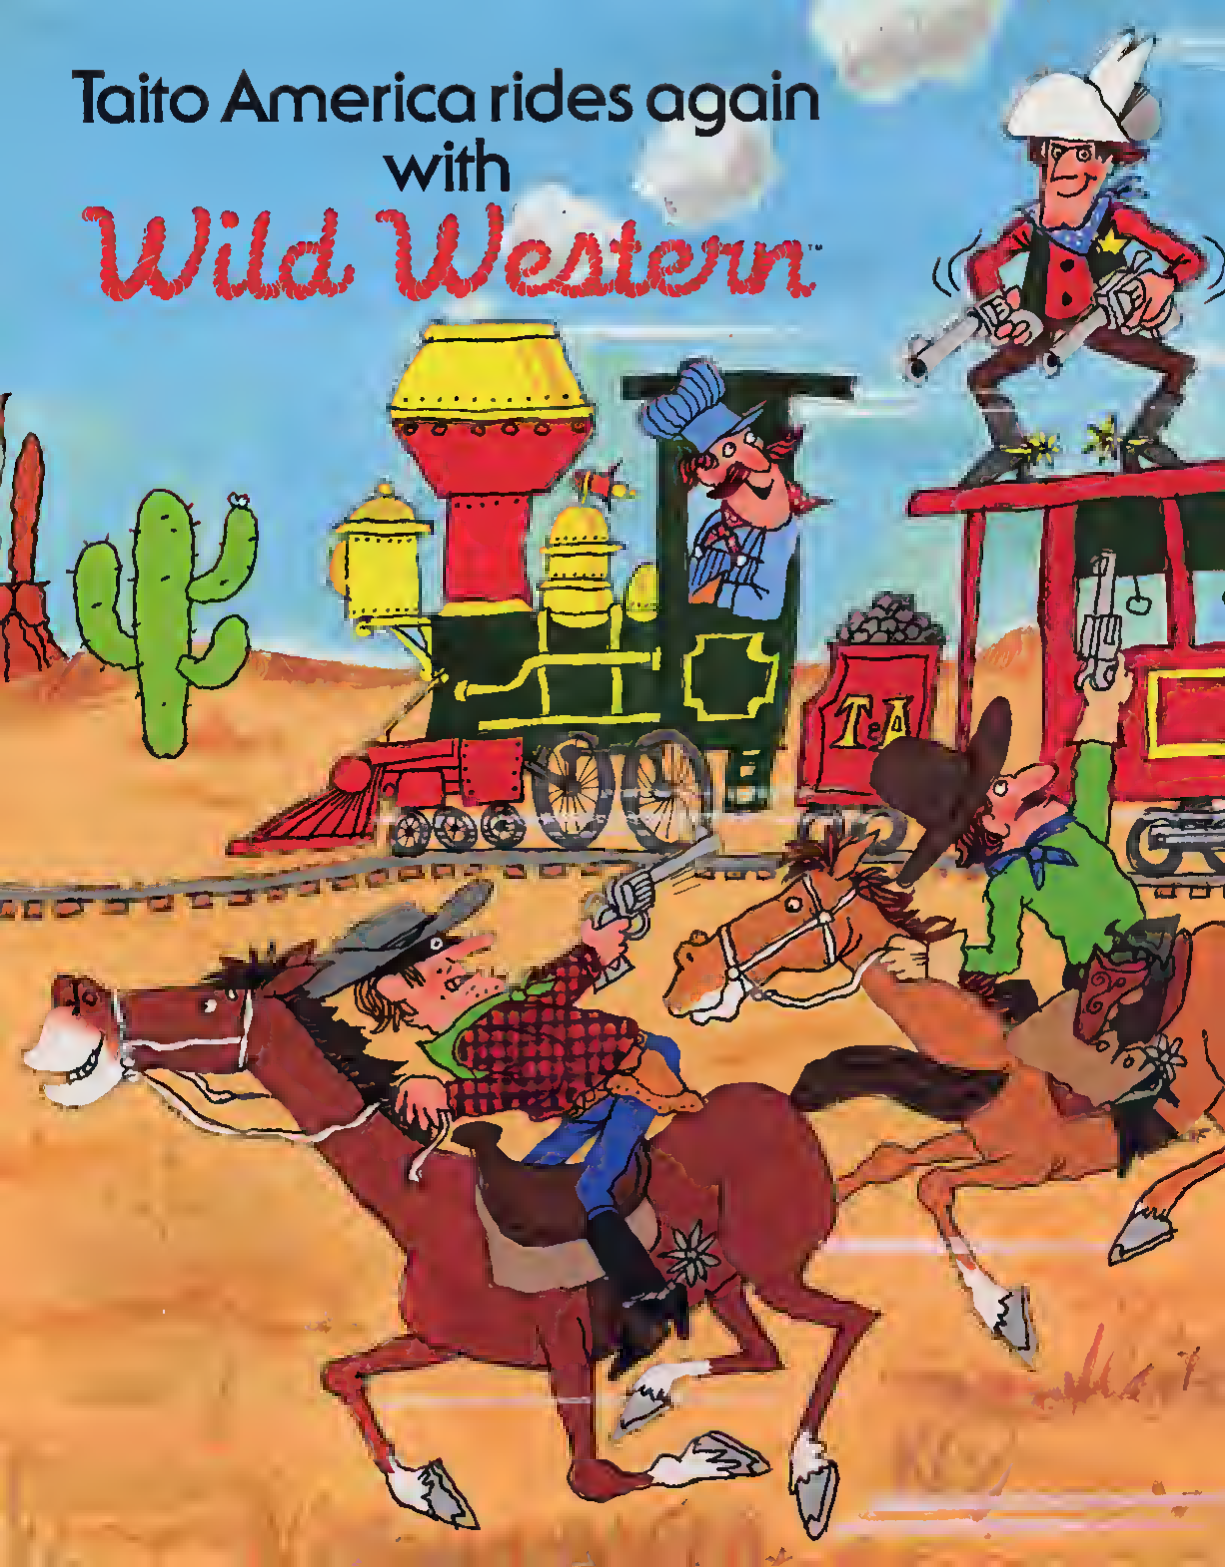
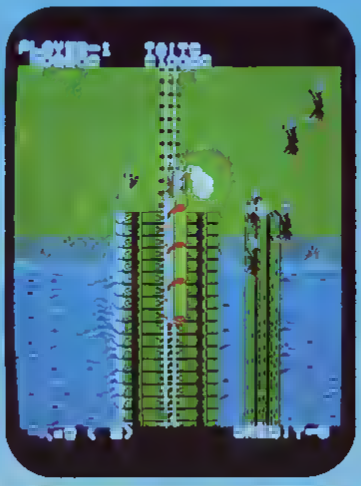
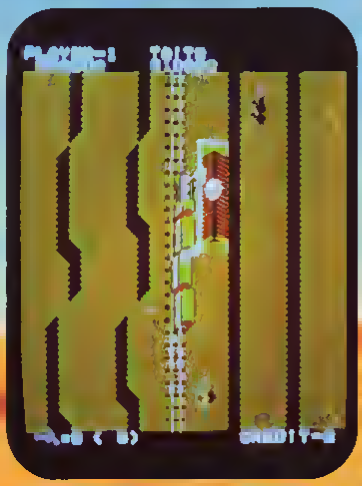
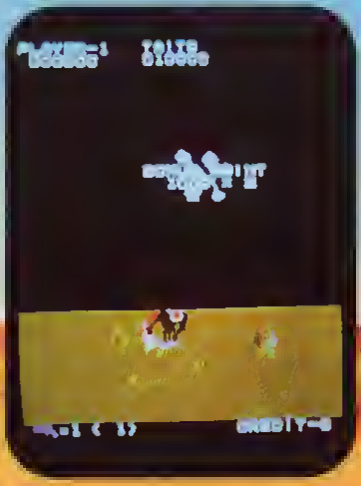
# Wild Western™



# How the West (and wild profits) are won:







Can law and order prevail in this thrilling tale of yesteryear? You'll soon find out because player after player will line up to see if as Sheriff their badge their skill and their six-shooter can stand between the train getting through and bands of outlaws set to ambush it! Simplicity of play concept combines with a constant variation of elements and exciting action to assure never-ending play appeal

Players can't shoot over the train but they can fall back and get the bandits from behind gallop hard to get ahead of the train and shoot over their shoulder and even cross the tracks for an all-out shoot-out complete with ricocheting bullets!

Players can maneuver in 8 directions and aim and fire in 8 directions A bullet will do them in and so will riding recklessly into a cactus rock riderless horses the train itself or the fort walls or riding off the bridge into the river

If a low-down varmint jumps on top of the train the only way players can get him is to jump on the train themselves and gun him down But if the train's passing a low water pipe players must quickly lie down or be thrown from the train When their horse gallops close to the train they can jump back in the saddle again If 3 hombres get on top of the train or players get knocked off their horse 3 times (adjustable) in this saddle-up shoot-em-up it's Boot Hill!

Each time players wipe out a band of outlaws they get to practice their aim Their horse will toss a silver dollar in the air and they'll get 1 chance to shoot it for bonus points A total of 50 000 points (adjustable) earns them another chance to knock out the gunslingers
